Sad Ones:

We of the football set realize that you were subjected to complete humiliation last fall when a well-drilled, well-conditioned W Y B C pigskin gridster combination demonstrated the art, evidently defunct in Tigertown, of projecting a football from one locus to another while under rigid control at all times.

This might be due to a number of factors, which follow with increasing significance:

- 1) Your excellent hospitality kept you from wanting to hurt our feelings.
- 2) You were playing passionate with the kiss of the hops.
- 3) You stunk.

'Twould be but sheer folly to repeat such utter madness. Notwithstanding, for the simple reason that we wish an excuse to get crocked before the midday feast, consider yourselves offered an opportunity to regain some lost prestige by encountering the immovable forces of the well-drilled, well-conditioned W Y B C pigskin gridster combination in a fracas of touch football the morning of November 13, in the year of our Program Director A.D. nineteenhundredandforty8. The battlefield shall be the Old Campus.

Thirstily awaiting your quaking reply, we are

Athletically yours,

THE YALE BROADCASTING CO., INC.
